CONGRATULATIONS TO OUR CLASS OF 2019

We are exceptionally proud of the achievements of our all our students. They have made significant progress during their time at St Ives School. Many have achieved the top grades 9-7 (the old A**-A grades).

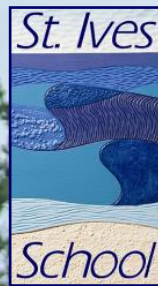

72% of our students achieved at least a Pass (Grade 4) in both English and Maths compared to the National Average which is just 67%

Overall our students achieved 114 Grades at Grade 8 (A*) or above and they achieved 32 grade 9's (A**) which is 5% of our total grades. This is also higher than the National Average.

The hard work and dedication of our students and staff has led to fantastic achievements. We wish all of our Class of 2019 every success and happiness in the future.
